

Middle School Student Devices for 2020

Dear parent or caregiver,

Seaview High School students are encouraged to bring their own device to enable best practice in teaching and learning.

Our Digital Learning Program includes the use of iPads for students in Years 8 and 9, and a selection of preferred laptops for students in Years 10 to 12. The program is a Bring Your Own Device (BYOD) program, which means the iPad and laptop are purchased by the parent/caregiver and belong to the student from the outset.

Seaview, in partnership with IT solutions company CompNow, has established a purchasing portal with highly competitive iPad prices. ***We highly recommend that you take advantage of these prices by purchasing your iPad through the portal.***

To access the portal, visit the Digital Learning section (under Family Information) on the Seaview High School website, and click on the link. See a screenshot of the portal below.

If you already own an iPad, please note that the iPad must be able to run at least iOS 12 and the iPad mini is not recommended.

If you have any questions please contact Jeremy LeCornu - Assistant Principal, Innovation in Teaching and Learning on jeremy.lecornu156@schools.sa.edu.au

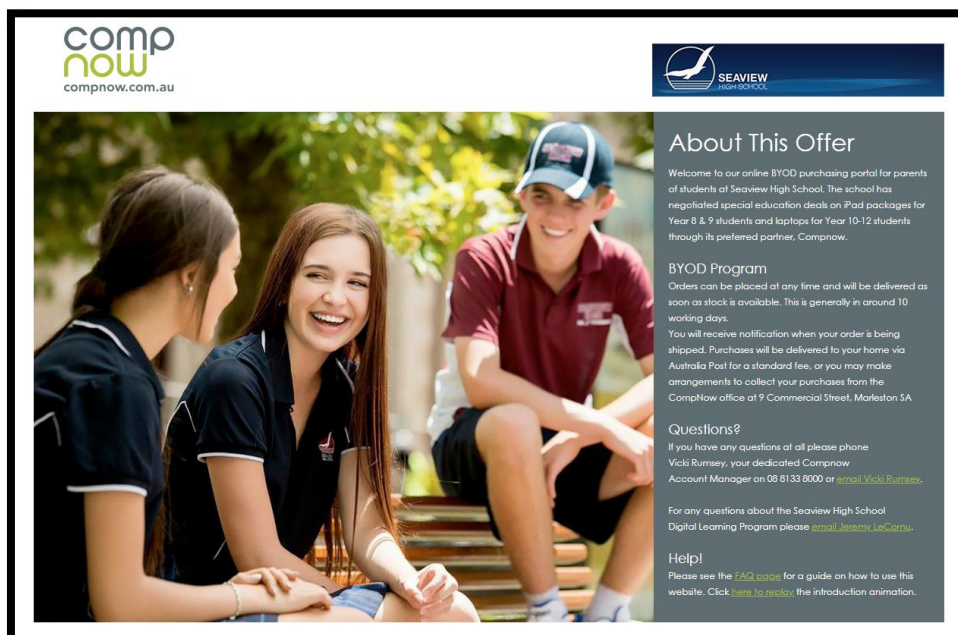

Regards

Jeremy LeCornu

About This Offer

Welcome to our online BYOD purchasing portal for parents of students at Seaview High School. The school has negotiated special education deals on iPad packages for Year 8 & 9 students and laptops for Year 10-12 students through its preferred partner, Compnow.

BYOD Program

Orders can be placed at any time and will be delivered as soon as stock is available. This is generally in around 10 working days.

You will receive notification when your order is being shipped. Purchases will be delivered to your home via Australia Post for a standard fee, or you may make arrangements to collect your purchases from the CompNow office at 9 Commercial Street, Marleston SA.

Questions?

If you have any questions of all please phone Vicki Rumsey, your dedicated Compnow Account Manager on 08 8133 8000 or [email Vicki Rumsey](mailto:email.Vicki.Rumsey).

For any questions about the Seaview High School Digital Learning Program please [email Jeremy LeCornu](mailto:email.Jeremy.LeCornu).
