

January 2025

Dear Seaview High School Families,

I trust you have all enjoyed a wonderful festive break and a healthy and happy start to the New Year.

We are rapidly approaching the start of the 2025 school year and look forward to greeting those families who are returning and welcoming all new students and staff to the Seaview High School community.

Student timetables for returning students (years 8-12) will be available on Daymap from Wednesday 22 January. New students will receive their timetables on the first day of school. Year 7 student timetables were distributed during the transition program.

Students new to our school are invited to meet at the Front Office, where staff will meet and direct them, on their allocated year level start day.
